1.2. Candidates have a "Home Institution" where they begin their studies and spend the majority of time. The expectation is that candidates will spend a minimum of 12 months at the other, "Host" Institution; the timing and duration of this will depend on the program of research but in general will be in the second or third year of the degree. Travel to and study at the Host Institution will be subject to the usual requirements of the institute.

1.3. As a condition of enrolment on the PhD JDP, candidates are required to:

- Spend a minimum of one year (two semesters) enrolled at each institution
- Undertake a program of progress monitoring and examination that meets the requirements of both institutions
- Comply with the rules, regulations, policies, codes and procedures of both institutions
- Write and submit a thesis for defense by oral examination at the home institution

1.4. Candidates for the PhD JDP will be enrolled in a PhD program in parallel at both institutions. The supervisory team will comprise academics from both institutions who will provide guidance and support throughout the doctoral program. Candidates will benefit from the research community, networking, and collaborations of the IIT Mandi – IIT Ropar. Through enrolment at both institutions, candidates will have access to services and support provided at IIT Mandi and IIT Ropar, including a variety of professional and personal development opportunities for researchers.

1.5. The primary supervisor shall be from the Home Institution. There must be a Joint supervisor from the Host Institution.

1.6. The PhD JDP includes a tailored program of progress monitoring to fulfil the requirements of both institutions. On successful completion of the program requirements, candidates will be awarded a PhD degree jointly by both the Institutions.

2. PROGRAM GOVERNANCE

2.1. The Program is governed by Deanery of Academics of both the institute. The Dean (Academics) will ensure the Program requirements of each institution are upheld and advise on candidature related matters.

2.2. The Program will be operationalized and managed on a day-to-day basis by the office of the Office of Dean, Academics at IIT Mandi and the Office of Dean, Academic Affairs at IIT Ropar.

- IIT Mandi – Associate Dean (Research) (Email: adresearch@iitmandi.ac.in)
- IIT Ropar – Associate Dean (Academics, PG) (Email: deanpg@iitrpr.ac.in)

3. APPLICATION AND ADMISSIONS

3.1. The admissions process will be managed by the IIT Mandi–IIT Ropar Joint

Admissions Sub-committee (JASC) constituted at the School/Department/Centre level and according to each Institution's admissions procedure. Candidates must meet the admissions requirements of both institutions. The eligibility criteria for enrolling in a joint PhD program will be same as that of a regular PhD program/ERP of the individual institute. The details of the same can be found in the PhD ordinance of the individual institute.

- IIT Mandi: https://iitmandi.ac.in/academics/files/Ordinances_phd_mtech.pdf
- IIT Ropar: <https://www.iitrpr.ac.in/phd-ordinances-and-regulations>

3.2. JASC will release a call for PhD research projects from prospective supervisors (typically in February and August each year, for the August and January intakes, respectively).

3.3. The projects will be selected on a competitive review basis by the Dean (Academics), based on criteria such as project funding, expected outcomes, supervision capacity and expertise and industry support/involvement.

3.4. Each project on the PhD JDP will have a formal project agreement in place between the two institutions. The format for this agreement is attached as Annexure A.

3.5. The project agreement needs to be signed by the joint supervisors, endorsed by the respective School/Centre/Department Chairs/HoDs and approved by both the institute

3.6. Successful projects will be advertised on both the institute's website to attract potential PhD candidates.

3.7. All applicants will be expected to apply through an online admissions portal. Applicants will be directed to this portal from both the Institute's academic affairs/Admissions website.

3.8. As part of the applications process, applicants may choose up to N projects

(where N is normally 2 or 3). Supervisors from both IIT Mandi and IIT Ropar will be provided access to this portal to view applications. Each project will specify the base location (IIT Mandi or IIT Ropar) where funding is available for the project and applicants would also be able to provide their preference for the project.

3.9. Detailed applications from the selected applicants (and aligned with specific projects that have been chosen) will then be reviewed by project supervisors. Based on their own assessments, some (or all) of these applicants for each project will be interviewed by the IIT Mandi and IIT Ropar supervisors of the project. This interview can be telephonic, *via* videoconferencing, or through a face-to-face meeting, as decided by the supervisors. Supervisors will rank candidates and provide a recommendation of a maximum of M preferences (where M is usually 2 or 3) for their projects to the JASC.

3.9. Shortlisted applicants will undergo either a written test or a joint interview or both with the JASC. Note that JASC will look at applicant project preferences and also comments from the supervisors subsequent to their conversations with the applicants.

3.10. This admissions process will be reviewed periodically on recommendations that JASC makes to Dean (Academics) for its consideration and approval.

3.11. After each selection round, JASC will submit its recommendations to the Dean (Academics) who will consider these recommendations and forward the recommendations to the Chairman (Senate) of both the institute for approval. Successful applicants will be issued an offer letter by the Host institute, which will be based on the standard offer letters from IIT Mandi or IIT Ropar. The offer letter should include information on the JDP and the project title/area for which the candidate is recruited, as well as comply with all requirements set forth by the two institutes.

3.12. Offers will always be "conditional offers of candidature". These conditional offers will only be confirmed subject to receipt of original certified transcripts and

further documentary evidence as requested by JASC. Students will be required to accept their offer in line with deadlines noted in their offer letter. It is not possible for students to defer commencement of their program; if they are unable to commence on the date stated in their offer letter, they must decline the offer and apply in a future round.

- The joint degree program may be considered for lateral entry, ERP and Part-time program.

4. PROJECT AGREEMENTS

4.1. Both the institutes shall enter into a 'Research Project Title agreement' for each individual project/student. This must be completed and signed before an unconditional offer of enrolment into the joint PhD program is made to each applicant under joint supervision. These agreements should detail the financial and resource requirements and intellectual property arrangements for each research project title. This should usually be initiated by the Home Institution using the template in the joint PhD agreement (Annexure A) at the time of releasing advertisement.

4.2. A risk assessment must be undertaken for each project by the supervisory team at each institution, according to their own requirements. In case, any of the supervisor leaves the parent institution due to any reason whatsoever, it will be the responsibility of that institution to arrange the replacement of supervisor from their own faculty. The outgoing faculty member (earlier supervisor) may act co-guide to the maximum possible extent.

Each academic year's figures could be different. These scholarships are in addition to each institution's regular scholarship cycles and will not count toward a PhD students' specific faculty cap.
